

The official Monkey Bar New York website is committed to making its information and services accessible to individuals, including those with disabilities, by complying with the requirements of the law in letter and spirit.

United States federal law requires that agencies provide individuals with disabilities access to information technology and data that is comparable to those who do not have disabilities, unless an undue burden would be imposed on the agency. To meet this responsibility, our webpages have been developed to comply with the Americans with Disabilities Act Accessibility Guidelines.

If any information or service provided by <http://www.monkeybarnewyork.com/> is inaccessible to you or you are experiencing problems accessing content for any reason, please contact us.
